

Dear Members,

We hope this letter finds everyone healthy, happy and looking forward to wonderful holiday season!

Along with this letter, you will find a list of new membership tiers and pricing. Brian and Rick are eager to address any questions you may have about these new models.

Our continued commitment is to provide excellent golf courses and great service at fair prices. While we think we've done a pretty good job at this, we recognize there's always room for improvement. We want to offer more member events in 2026 than in recent years. Your thoughts and comments about what, when, and where regarding these events would be most appreciated. Another goal is to enhance our pro shops with some new product lines and club fitting availability. Again, let us know what you like!

Our 2026 fiscal year will be January 1- December 31, 2026. While our new rates and tiers technically go into effect January 1, anyone with a current 12-month contract paying monthly should continue to pay at their current level through February 28 and those who have paid annually may renew their agreement on March 1 but at a pro-rated amount. Maybe an easier way to say this is "for current members, nothing changes until March 1".

To those who pay annually, please remember that there is a 3% surcharge if you use a credit card, however, cash, checks and debit cards do not carry a surcharge.

In closing, we appreciate everyone's support and loyalty over the years. Owners and staff are 100% committed to exceeding your expectations in 2026 and thank you for this opportunity.

Kindly,

Rick Jenkins, PGA

Brian Knopp
